

Your Touchstone Energy® Partner 

MREA Online Energy University

Kick it up a notch!

**MREA ONLINE
ENERGY UNIVERSITY**

What is it?

- MREA has contracted services through Energy Management University
- Subsidiary of Digital University
- They provide online training for 3,000 firms
- Since 1998

Implementation

- ◎ Plan to use programs each time you train a new employee.
1. Electric Cooperatives
 2. Electricity Distribution
 3. Customer Service – Face to Face and on the phone

MCHUMOR.com by T. McCracken

“Don't worry, the first thirty years
working here are the hardest.”

©T. McCracken mchumor.com

Use in Employee Meetings

- Sample of online classes:
 1. Electricity Generation
 2. Office Safety
 3. Project Management

Keep employees engaged and
interested

"And this is the boredroom."

Use for Cross-Training and Compliance Training

- ① Give the guidelines at review time with deadlines for completing one course each month.
- ① Use handout for a guideline

<http://www.mrea.org/>

- Start and stop in the middle of a session at any time
- Scored test at the end each course
- Online tracking of progress
- Transcript with grade and certificates

Remember to use MREA Online Energy University

- For Continuing Education
- Compliance Training
- New Employee Orientation
- Cross-Training
- Pre-Training
