

## Ralph Martin's Notes & Links

Here is a link to pricing and "What's New for Camtasia 7.0" for Techsmith's Camtasia product.

<http://www.softwarecasa.com/camtasia-studio.html>

Here are some web video tutorials that cover the basics of Snagit for future reference.

<http://www.techsmith.com/learn/snagit/10/video/intro-new/?requestsource=productredirect&redirlang=enu&redirproduct=snagit&redirver=10.0.0>

<http://www.techsmith.com/learn/snagit/10/video/intro-existing/?requestsource=productredirect&redirlang=enu&redirproduct=snagit&redirver=10.0.0>

<http://prezi.com/> is the link for the on-line presentation software the costs \$59 per and provides 500 MB of space.
